

## Term-Tenure Track Position Accounting Faculty

The Department of Management & Business, in the School of Business, Education and Social Sciences at Messiah College, has a rare opening within its nationally-reputed Accounting Program for a full-time, term tenure-track faculty member, beginning in August of 2012.

The Program: Graduates of Messiah's Accounting Program regularly attain pass rates on the CPA exam that rank among the highest in the state and at times in the country. In addition, virtually all of the Program's graduates receive employment offers before or shortly after graduation, many from Big Four accounting firms.

The Department: Messiah's ACBSP-accredited Department of Management & Business is one of the College's largest departments. Home to five strong business programs, the Department provides an extremely collegial environment in which to teach and to conduct other scholarly work.

The College: Messiah College is a Christian College of the liberal arts and applied sciences that is committed to an embracing evangelical spirit and academic excellence. The main campus is located in a picturesque setting in South-Central Pennsylvania, just minutes from the state capital, Harrisburg, and in close proximity to New York City, Philadelphia, and Washington, D.C. The College also operates satellite campuses in Harrisburg and Philadelphia ([www.messiah.edu](http://www.messiah.edu)).

Qualifications: The Department seeks exceptional Accounting faculty candidates who will be excellent teachers and mentors of undergraduate students, who have a vibrant Christian faith, and who are willing to engage personally in accounting practice in ways that will enrich their teaching and scholarship. Tax courses comprise the primary area of teaching responsibility. An interest in teaching Financial Management is also desirable. A CPA is required, as well as either: a relevant doctorate (Ph.D., D.B.A., or J.D.) or a master's degree (M.B.A. or M.S.) with strong work experience. A track record of, or potential for, scholarship also is desirable.

Compensation: Messiah College offers attractive benefits in addition to salary and rank commensurate with qualifications and experience.

Applications: Review of applications will begin immediately, with materials received by November 7, 2011 receiving fullest consideration. Please e-mail curriculum vitae, graduate transcript(s), evidence of teaching excellence, and the faculty application found at [www.messiah.edu/offices/hr/forms/Faculty\\_Empl\\_Appl.pdf](http://www.messiah.edu/offices/hr/forms/Faculty_Empl_Appl.pdf) to: Holly Myers, Assistant to the Department of Management & Business at [hmyers@messiah.edu](mailto:hmyers@messiah.edu)

In a continuing effort to enrich the Messiah College academic environment, the college actively encourages applications from women and minorities in higher education. Messiah College does not discriminate on the basis of age, color, ethnic/national origin,

disability, race, gender or veteran status in its education programs, admissions or employment policies.
