

Associate Professor of Business Administration

The Southwest Baptist University College of Business and Computer Science invites applications for a tenure-track position as Associate Professor of Business beginning the August 2010. Salary and teaching load are competitive and commensurate with experience.

Responsibilities: The Associate Professor of Business plans, develops, and implements a positive student education experience for students in Masters of Business Administration program with occasional teaching assignments in the undergraduate business programs. Willingness/ability to develop online courses (training provided). May provide leadership for community and professional development initiatives, depending on interests. Lead and serve in usual faculty responsibilities and committee assignments. Teaching load is 4/4 with release time for research, travel study leadership, and university projects.

Qualifications: PhD in a business discipline from an accredited university, evidence of quality teaching, ability to integrate biblical faith into instruction (training provided) and ability to contribute to a supportive college culture. Candidates must be evangelical Christians and strongly committed to the SBU Mission: Southwest Baptist University is a Christ-centered, caring academic community preparing students to be servant-leaders in a global society.

Application Process: Applications (which must include a letter of intent, curriculum vita, at least three supporting letters of recommendation, statement of educational philosophy, and a personal statement of faith) will be accepted immediately.
