University College

Tyndale University College invites applications for the position of

Director, Business Administration Program

(Full-Time, Tenure-Track)

Tyndale University College is a private, transdenominational Christian post-secondary educational institution offering liberal arts/pre-professional undergraduate degrees. The University, located in north Toronto, is pursuing an aggressive growth strategy which it believes will result in a substantial increase in enrollment over the next decade. The Business Administration program will be central to that growth.

This is an exciting opportunity for a dynamic individual to lead Tyndale's Business Administration Department into a new phase of growth and establish the Business Administration Program as a program of choice for future business leaders who wish to develop their expertise within a faith-based setting.

The Director of the Business Administration Program will head the department of Business Administration and provide leadership in all matters academic, financial and spiritual, with particular responsibility for setting and encouraging a high academic standard of scholarly activity. The position is responsible for creating and sustaining an environment of academic and professional excellence for students and faculty as well as the development of Christian values and character in students. Accountable to the Academic Dean, the position also has teaching responsibilities.

The successful candidate will have a PhD in a business-related discipline and a proven record of leadership and excellence in research and teaching in business administration-related fields. It will be important that he or she possess an entrepreneurial drive and a passion for organizational growth and development that will foster an environment in which a meaningful expansion of the existing Business Administration program can occur. Significant business contacts in the Canadian context/ability to initiate relationships, as well as experience in the not-for-profit or international development areas are also considered important assets.

Candidates with an MBA who have significant and relevant business and academic experience are also invited to apply.

Applications should include a cover letter highlighting the applicant's fit, a curriculum vitae, and contact information for three referees. Nominations are welcome. All applications/nominations will be treated in strict confidence and should be sent to:
